

Episode 33: Back to school cybersecurity tips for parents

James J. Giszczak, Michael P. Witzke | Tuesday, September 10, 2019

On Episode 33 of MH Business Exchange, co-chair of McDonald Hopkins' national Data Privacy and Cybersecurity Practice Group Jim Giszczak joins host Mike Witzke to offer some tips for parents to help students of all ages protect their information online during the new school year.

For even more information on the topic, read Giszczak and Amanda Martin's "12 Back to School Cybersecurity tips for parents" at [McDonald Hopkins.com](https://www.mcdonaldhopkins.com).
