

Giszczak discusses back to school cybersecurity tips on Cleveland WKYC TV-3's Live on Lakeside

James J. Giszczak | Friday, September 13, 2019

McDonald Hopkins attorney James J. Giszczak was a guest on Cleveland WKYC-TV 3's Live on Lakeside morning news show on Wednesday, Sept. 11 to discuss back to school cybersecurity tips designed to help parents keep their schoolchildren from allowing criminals to access their personal information.

Giszczak, who is the co-chair of McDonald Hopkins' Data Privacy and Cybersecurity Practice Group, is co-author of the firm's recent alert [12 Back to School Cybersecurity Tips for parents](#). During the television appearance, he took a deeper dive into multiple topics, including the recent trend of criminals inserting malware into online textbooks.
