- Intellectual property

Todd is the chair of McDonald Hopkins' IP Prosecution and Management Practice Group, leading the team on strategic issues for clients related to cost effective patent and trademark portfolio management, preparation and procurement of patents and trademarks, IP related due diligence, competitive analysis, new product clearance, and IP related agreements. In particular, Todd has significant experience drafting and negotiating a wide-range of software related agreements, both as a licensee and licensor. This also includes drafting and negotiating subscription and software as a service related agreements.

Todd has a wide range of experience in advising innovative clients in ensuring that their IP strategies meet their business goals and objectives. Todd develops cost effective IP management strategies to meet budgetary goals, helps monitor progress of these goals all while ensuring the IP portfolio protects relevant business objectives.

Todd also has extensive experience in providing legal advice and counseling to clients regarding a wide variety of e-commerce and advertising issues, such as CAN-SPAM, COPPA, sweepstakes, websites privacy policies, and terms of use of websites. In addition, Todd has significant corporate experience that he is able to utilize in providing broad based advice and counseling to his clients.

Todd works has considerable experience working with clients in the medical device, automotive, consumer products, retail and startup industries.

Before joining McDonald Hopkins, Todd served as senior managing counsel of IP, advertising and licensing for a Fortune 100 global supplier and retailer of office products and services.

Todd earned a J.D., cum laude, from the University of Pittsburgh School of Law in 1998, where he served as business manager and editor of the Journal of Law and Commerce. He received a B.S. in industrial engineering from Purdue University in 1995.

**Highlights**

- Helped manage the prosecution of thousands of matters for a Fortune 500 company, including complex reissue, enforcement and opinion matters. Assisted in several IP due diligence projects with this client to ensure acquisitions met business objectives.
- Assisted a medical device start-up in developing a robust patent strategy to incentivize investment in start-up to achieve first commercial sale.

## Todd Benni

---
